

CENTRE COUNTY UNITED WAY WOMEN UNITED®

WE'RE DIFFERENT

FUNDRAISING

Women leaders in Centre County have raised **more than \$183,000** since 2008.

MOTIVATION & ENGAGEMENT

We're raising our voices, rolling up our sleeves, and leaving our fingerprints on a legacy of change that benefits everyone.

WE ARE WOMEN UNITED.

As an integral part of United Ways across the world, Women United® fights for the health, education, and financial stability of every person in our community. We are a diverse, vibrant community, bound together by a powerful sense of belonging – to each other, to our missions, and to the women and children of Centre County. Our powerful, global network of women leaders, over 70,000 strong, lives united against the most critical issues facing more than 165 communities in six countries.

WE IGNITE CHANGE.

In each community we serve, we tackle the issues that matter most to the people who call it home. We empower each other to leverage our passions, ideas, expertise and resources to transform the very conditions in which people live. With more than \$183, 000 invested in local solutions and a worldwide footprint, we're able to positively impact our hometown while also being part of the bigger picture and broader cause. Centre County United Way Women United regularly holds events to share information about issues related to women, children, and families and to provide opportunities for discussion and networking. Annually funds designated to Women United are granted for new or expanding projects, programs, or services that support women and children in Centre County.
